OIB LIFE CHURCH / APRIL 2024

Doing Life Together

The month of March held multiple opportunities for us to celebrate life. We visited the Coastline Women's center where we met Jeannie and Carter Smith and learned about their ministry to women and unborn children. The following week a few of us attended the Spring to Life Gala and learned about efforts around the world and across time to save the lives of unborn and newborn babies. Our church family showed love for one another as meals were shared with those who were sick and recovering from surgeries. Others helped with transportation and household chores.

We celebrated new life in Christ on Easter Sunday, March 31 with a service that included a baby dedication. On April 7 the OIB Life Church family joined for a celebration of life in honor of our dear friend Tom Campbell.

May we continue to celebrate the life that comes from our loving Creator as we "do life together".
